Dear Parents/Carers

In order to keep families and students informed of the latest news and developments at St Peter's we use a variety of systems so that we reach as many people as possible.

Some parents have said that they are not aware of these different communication channels, or how to access them so please find an overview below:

### School Website

The school's website is regularly updated and has a wide range of information on curriculum content and other issues.  
<https://www.stpetershuntingdon.org/>

### Parent Email and Letters

We have moved, where possible, to paper free communication to save resources. We send all general letters by email unless we do not have details on our school system for a family in which case a paper version is posted home. If you do not receive these emails please contact [studentservices@stpeters.cambs.sch.uk](mailto:studentservices@stpeters.cambs.sch.uk) or the main school office on 01480459581 so we can update your information.

### My Child At School (MCAS)

My Child At School is a secure online service that enables parents to log in and see attendance, behaviour and homework details for students at St Peter's. More information can be found on the school website.

If we do not have your current email address you will not be able to access Go4Schools. If you think you need to change or add your email address please contact [studentservices@stpeters.cambs.sch.uk](mailto:studentservices@stpeters.cambs.sch.uk) or the main school office on 01480459581 so we can update your information.
