Although it may seem a long way in the future, we urge parents/carers to still prepare for the new school year in September. Together with our suppliers we are doing all that we can to ensure we are able to deliver a successful and smooth Back to School service this year.

Here at TGSS our priority is to ensure that your child is all set for the new school year.

In order to help with this we have launched a new Layaway scheme which will let us set aside uniform for you, in advance, without you having to pay for it all immediately. We need to know your requirements as early as possible.

Please feel free to contact us via email with any questions.

stives@thegreenschoolshop.co.uk

When ordering from the website select Click and Collect and at payment option select Layaway Scheme. We will then be in touch with you by phone to take a deposit (minimum £5) with the balance being payable on collection of your order. At this time we will check sizing and can advise as necessary.

We wish you and your families all the very best,

Susan, Nicky and Janine x
