

General resources that cover different subject areas and have material for all year groups.

Khan Academy

<https://www.khanacademy.org>

Especially good for maths, science and computing for all year groups. Note this uses the U.S. grade system but it's mostly common material.

Seneca

<https://www.senecalearning.com/>

A broad range of subjects covered for KS3 through to A level. Lots of free revision content. Paid access to higher level material. Some staff will be setting work through this online platform as we can direct students through assignments and monitor progress remotely.

Ted Ed

https://ed.ted.com/lessons?content_type=animations+talks&direction=desc&sort=publish-date&user_by_click=student

All sorts of engaging educational videos

Twinkl

<https://www.twinkl.co.uk/>

This is more for printouts, and usually at a fee, but they are offering a month of free access to parents in the event of school closures.

General resources suitable for years 7, 8 and 9

National Geographic Kids.

<https://www.natgeokids.com/uk/>

Activities and quizzes for years 7 – 9. Science/Geography

Crash Course Kids

<https://m.youtube.com/user/crashcoursekids>

You Tube videos on many subjects for a younger audience

General resources suitable for years 10/11 and post 16

Crash Course

<https://www.youtube.com/user/crashcourse/playlists>

You Tube videos on many subjects

Futurelearn

<https://www.futurelearn.com/>

Free to access 100s of courses, only pay to upgrade if you need a certificate in your name (own account from age 14+). Very broad range of subjects covered providing a platform to learn new skills, pursue your interests or advance your career aspirations with short online courses

Openlearn

<https://www.open.edu/openlearn/>

Free taster courses aimed at those considering Open University but everyone can access it. Adult level, but some e.g. nature and environment courses could well be of interest to young people.

Subject specific resources:
